Notice: Response to Motion to Dismiss

The 'rogers court' presents notice:

First let me address my nationality. As stated in my amended claim i: man am a native New Jerseyan. i: man am not a U.S. citizen nor is my domicile located in Washington D.C. (i.e. the "UNITED STATES"). My home is located on the soil of one of the American republics united by and under the Constitution for the united States of America. [c.f. Hooven & Allison Co v Evatt 324 US 652 (1945)] Further I am one of the Creator's people living under his law. (Exhibit A Notice of Living Man) To the best of my knowledge i: man have not signed any **VALID** contract that reads otherwise nor would i: man in my right mind give up my Creator given inherent rights for corporate privileges. The code of the 'UNITED STATES' is consistent with this.

c.f. 1 USC 8(c) "(c) Nothing in this section shall be construed to affirm, deny, expand, or contract any legal status or legal right applicable to any member of the

species homo sapiens at any point prior to being "born alive" as defined in this section."

i: man therefore owe no duty to the 'STATE OF NEW JERSEY' or the 'UNITED STATES'. My allegiance is exclusive to the land and people of New Jersey NOT the government. Your 'UNITED STATES SUPREME COURT' is consistent in this belief

c.f. Hale v Henkel 201 US 43, 74-75 (1906)

"...We are of the opinion that there is a clear distinction in this particular between an individual and a corporation, and that the latter has no right to refuse to submit its books and papers for examination on the suit of the State. The individual may stand upon his Constitutional Rights as a Citizen. He is entitled to carry on his private business in his own way. His power to contract is unlimited. He owes no duty to the State or to his neighbors to divulge his business, or to open his doors to investigation, so far as it may tend to incriminate him. He owes no such duty to the State, since he receives nothing therefrom, beyond the protection of his life, liberty, and property. His Rights are such as the law of the land long antecedent to the organization of the state, and can only be taken from him by due process of law, and in accordance with the Constitution. Among his Rights are the refusal to incriminate himself, and the immunity of himself and his property from arrest or seizure except under warrant of

law. He owes nothing to the public so long as he does not trespass upon their rights."

"Upon the other hand, the corporation is a creature of the state. It is presumed to be incorporated for the benefit of the public. It receives certain special privileges and franchises, and holds them subject to the laws of the state and the limitations of its charter. Its rights to act as a corporation are only preserved to it so long as it obeys the laws of its creation. There is a reserved right in the legislature to investigate its contracts and find out whether it has exceeded its powers. It would be a strange anomaly to hold that the State, having chartered a corporation to make use of certain franchises, could not in exercise of its sovereignty inquire how those franchises had been employed, and whether they had been abused, and demand the production of corporate books and papers for that purpose."

i: man cannot be a citizen of the 'STATE OF NEW JERSEY' because one must be a U.S. citizen to vote as per the current STATE OF NEW JERSEY CONSTITUTION. Therefore the 'STATE OF NEW JERSEY' corporation must be a subdivision of the 'UNITED STATES' and therefore not the republic as guaranteed by Article IV section IV of the Constitution for the united States of America.

Therefore i: man look to the 1844 constitution for the State of New Jersey (hereafter de jure constitution) as the de jure foundational document for the creation and limits of the government. i: man was not able to find the position of "NEW JERSEY STATE TROOPER" within the de jure constitution leading me to believe this position is a corporate creation and does not have an official capacity within the American republic, New Jersey. Further my claim is clear that i: man have made a claim against 'James: Porch' as a man not as a "state trooper".
(Exhibit B: Notice only men)

Further even if 'James: Porch' was functioning in an "quasi-official capacity" he is deemed to know the law and to be acting within the law. Therefore he cannot claim immunity.
[Owen v City of Independence]

The 'STATE OF NEW JERSEY' also cannot claim immunity.

As per the Clearfield Doctrine the STATE OF NEW JERSEY cannot enter commerce and retain immunity. A valid contract must be produced compelling my performance. No such contract exists to the best of my knowledge as I would never in my right mind agree to give up my Creator given inherent rights for corporate privileges.

Secondly the "UNITED STATES" Code reflects this and does not allow for immunity:

c.f. 42 USC 12202: A State shall not be immune under the eleventh amendment to the Constitution of the United States from an action in [1] Federal or State court of competent jurisdiction for a violation of this chapter. In any action against a State for a violation of the requirements of this chapter, remedies (including remedies both at law and in equity) are available for such a violation to the same extent as such remedies are available for such a violation in an action against any public or private entity other than a State.

While it seems that Kevin's accounting of events is similar to that of i: man he wasn't there. He does not have any first-hand knowledge of the events of that night. His entire accounting is hearsay and cannot be verified. If 'James: Porch' would like to have any meaningful conversation about the events let him do so in a sworn statement of truth as i: man have done.

Kevin claims that this originates from three "traffic citations." What exactly is a traffic citation? Traffic is defined in Blacks online dictionary as follows:

TRAFFIC: Commerce; trade; dealings in merchandise, bills, money, and the like. See In re Insurance Co. (D. C.) 96 Fed. 757; Levine v. State, 35 Tex. Cr. R. 647. 34 S. W. 960; People v. Hamilton, 17 Misc. Rep. 11, 39 N. Y. Supp. 531; Merriam v. Langdon, 10 Conn. 471.

And citation is defined as follows:

Citation: In practice. A writ issued out of a court of competent jurisdiction, commanding a person therein named to appear on a day named and do something therein mentioned, or show cause why he should not.

There are two problems here. First i: man was not involved in traffic at the time. Secondly according to the de jure constitution the justice of the peace is to be elected by the people and i: man have the absolute right to a trial by jury. This is reaffirmed in the 7th Article of the Bill of Rights. 'Ray Barson', man acting as MUNICIPAL JUDGE OF WEST AMWELL, was appointed by the West Amwell corporate government. He flies a flag with a gold fringe advertising a military tribunal, and there is no jury. Therefore it is **NOT** a court of competent jurisdiction. It is a corporate administrative court created by the 'STATE OF NEW JERSEY'.

Personal Liberty is considered a sacred inherent right.

"Personal liberty, or the Right to enjoyment of life and liberty, is one of the fundamental or natural Rights, which has been protected by its inclusion as a guarantee in the various constitutions, which is not derived from, or dependent on, the U.S. Constitution, which may not be submitted to a vote and may not depend on the outcome of an election. It is one of the most sacred and valuable Rights,

as sacred as the Right to private property ... and is regarded as inalienable."

16 C.J.S., Constitutional Law, Sect.202

"Personal liberty largely consists of the Right of locomotion -- to go where and when one pleases -- only so far restrained as the Rights of others may make it necessary for the welfare of all other citizens. The Right of the Citizen to travel upon the public highways and to transport his property thereon, by horse drawn carriage, wagon, or automobile, is not a mere privilege which may be permitted or prohibited at will, but the common Right which he has under his Right to life, liberty, and the pursuit of happiness. Under this Constitutional guarantee one may, therefore, under normal conditions, travel at his inclination along the public highways or in public places, and while conducting himself in an orderly and decent manner, neither interfering with nor disturbing another's Rights, he will be protected, not only in his person, but in his safe conduct."

II Am.Jur. (1st) Constitutional Law, Sect.329

"The use of the highways for the purpose of travel and transportation is not a mere privilege, but a common and

fundamental Right of which the public and the individual cannot be rightfully deprived."

Chicago Motor Coach vs. Chicago, 169 NE 2271;

Ligare vs. Chicago, 28 NE 934;

Boon vs. Clark, 214 SSW 607;

25 Am.Jur. (1st) Highways Sect.163

Further your Supreme Court of the UNITED STATES has made it clear the STATE cannot license secured liberties:

"A state may not impose a charge for the enjoyment of a right granted by the Federal Constitution...", "...No state may convert any secured liberty into a privilege and issue a license and a fee for it."

Murdock v. Penn 319 U.S. 105 (1943)

"If the State does convert your right into a privilege and issue a license and a fee for it, you can ignore the license and fee and engage the right with impunity"

Shuttlesworth v. Birmingham Al. 373 U.S. 262 (1962)

Further Kevin is presuming my property meets the essential elements of certain definitions. Let's examine those definitions as the "UNITED STATES" defines them.

Title 18 USC 31

(6)Motor vehicle.— The term "motor vehicle" means every description of carriage or other contrivance propelled or drawn by mechanical power and used for commercial purposes on the highways in the transportation of passengers, passengers and property, or property or cargo.

(10)Used for commercial purposes.— The term "used for commercial purposes" means the carriage of persons or property for any fare, fee, rate, charge or other consideration, or directly or indirectly in connection with any business, or other undertaking intended for profit.

Under 49 CFR 390.5 the "UNITED STATES" defined driver as follows: Driver means any person who operates any commercial motor vehicle.

These definitions are consistent with traffic. Nor does it appear from the "citations" handed (only a man can be handed a piece of paper) to me on the side of the road (exhibit C letter from Philip J. Faherty, III with email confirming the contents of the envelope) does 'James: Porch' believe i: man was involved in driving or traffic either. He did not indicate that my property was being used for such purposes. Further what training does 'James: Porch' have to make a legal determination? He does not appear to be competent enough to fill out a traffic

citation properly. He failed to indicate critical information and other information is incorrect. Further he did not provide any facts, evidence, or sworn statement to back up his actions. The "citations" are the entire "discovery" made available by Philip J. Faherty, III. They are entirely hearsay as there is no verifiable information included nor are they signed in wet ink under penalty of perjury. He did not include an expiration date for the registration over which he took my property against my will without a warrant.

Further if 'James: Porch' is incapable of filling out a "citation" how is he capable of deciding that my property was "illegal" and that it was "necessary" to take my property against my will without a warrant because i: man didn't pay off his employer for \$46.50. Further "necessary" does not sound like required. Does this mean it was done at 'James: Porch's' discretion? What is his basis for the "necessary" taking of my property and putting his hands on my body and genitals against my will at implied gun point (i: man would not like to consider the scenario had i resisted even a little bit) without a warrant? What is his basis for holding of my property for ransom until I pay his employer's protection money and then pay off the bill created by 'James: Porch' to a towing company whom I made no contract with nor would i: man have had any reason to. This is in addition to punitive fines of \$280 which do not go

towards the remedy of why i: man was arrested in the first place as there is no actual real harmed party.

Further under common law 'James: Porch' placed i: man under arrest the very moment he turned his emergency lights on behind me. Once my freedom of locomotion was interfered with against my will and without a warrant i: man was under arrest. i: man was not free to go. It is such common knowledge that i: man should not need any references that 'James: Porch' had no authority to arrest i: man unless i: man committed a felony offense in front of him or he had strong reason to believe i: man had. Without those same essential elements or proof through facts and evidence that i: man was involved in "traffic" his search of my personal information through the identification plate issued by his employer (Not by choice but because of the extreme inconvenience of ignorant police officers should i: man choose to take them off.) was also unlawful. All information he would have gleaned from said unlawful arrest is inadmissible.

My family and i: man have now been deprived of the use and enjoyment of our property for more than ten months due to the callous disregard and presumptions of law made by 'James: Porch'. He has provided no evidence to support his actions while we have been put through the extreme inconvenience of borrowing automobiles to get to health appointments, and provide for our needs. Our lives have been disrupted unnecessarily considering at no point was i: man a danger to the public.

Even if the matter of compensation must go before a jury i:
man require the immediate return of my property so that my
family and I can resume the use and enjoyment of an automobile
i: man spent 7.5 years paying off with no help from the "STATE
OF NEW JERSEY" that was "taken" on the mere whim of a man on a
power trip.

Further as a man from the country of New Jersey subject
only to God's law, would this motion to dismiss under "UNITED
STATES" rules be considered an extra judicial activity under
common law and therefore a denial of due process?

The causes of action are common law causes of action.

Further as per the rules of the court which i: man have
brought into the court Kevin Dronson's paperwork is both
unsigned and unverified. It is therefore void and he is in
contempt of court. (Exhibit D: Rules of Court)

i, say here, and will verify in open court,
that all herein be true

For this reason I do not meet the requirements of voter registration for "United States" elections and require that my voter registration be rescinded.

For these reasons I am not eligible for jury duty. I require you remove me from all jury service now and in the future.

Public Law 97-280
97th Congress

Joint Resolution

Authorizing and requesting the President to proclaim 1983 as the "Year of the Bible".

Oct. 4, 1982
[S.J. Res. 165]

Whereas the Bible, the Word of God, has made a unique contribution in shaping the United States as a distinctive and blessed nation and people;

Whereas deeply held religious convictions springing from the Holy Scriptures led to the early settlement of our Nation;

Whereas Biblical teachings inspired concepts of civil government that are contained in our Declaration of Independence and the Constitution of the United States;

Whereas many of our great national leaders—among them Presidents Washington, Jackson, Lincoln, and Wilson—paid tribute to the surpassing influence of the Bible in our country's development, as in the words of President Jackson that the Bible is "the rock on which our Republic rests";

Whereas the history of our Nation clearly illustrates the value of voluntarily applying the teachings of the Scriptures in the lives of individuals, families, and societies;

Whereas this Nation now faces great challenges that will test this Nation as it has never been tested before; and

Whereas that renewing our knowledge of and faith in God through Holy Scripture can strengthen us as a nation and a people: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the President is authorized and requested to designate 1983 as a national "Year of the Bible" in recognition of both the formative influence the Bible has been for our Nation, and our national need to study and apply the teachings of the Holy Scriptures.

RE: State Police Motor Vehicle Summonses

Dear Mr. Rogers,

As you may know I am the prosecutor in West Amwell Municipal Court. The Court Administrator has advised that you have issues with your driving privileges.

Although you have never formally requested discovery from me, which by the way is required by New Jersey Rules of Court, I have taken the liberty of contacting the New Jersey State Police and am providing you with the following:

- 1) Copy of Summons #1026-E16-000616, charge of 39:3-4;
- 2) Copy of Summons #1026-#16-000617, charge of 39:3-29B;
- 3) Copy of Summons #1026-E16-000618, charge of 39:3-76.2F.(the original of all of these summonses I am sure were handed to you by the officer)

Any issues you may have with the Motor Vehicle Commission with respect to your privilege to drive are not the fault of West Amwell Municipal Court, its Judge, its Administrator or its Prosecutor.

My understanding is that your proposed suspension was a result of your failure to appear in West Amwell Municipal Court to answer the above summonses.

I believe the matter will be scheduled for court in September.

Very truly yours,

Philip J. Faherty, III
